

A full-page photograph of two skiers on a snowy mountain peak. The skier in the foreground is wearing a red jacket, brown pants, and a black beanie, carrying a red ski over his shoulder. The skier in the background is wearing a yellow jacket and dark pants. They are both using ski poles and standing on a snow-covered ridge with a vast mountain range in the background under a clear blue sky.

OUTDOOR

FOAM ROLLER WATER BOTTLE

Portable sports buckle, easy to carry, Dust-proof and concealable nozzle, one button to open.

Noise-free Straw: The noise-free straw extends all the way to the bottom, allowing you to drink the last drop of water without having to tilt your head back.

Functional EVA Foam: High-density and colorful EVA foam has excellent thermal insulated performance, sporty and shock-proof if falling on the ground carelessly.

Absolutely No Leaks or Sweating: Because of the high quality construction, you can leave it on a desk at work filled with ice cold water and not have to worry about it leaving a puddle of water or sweating.

- Material: 304 stainless steel, EVA foam
- Packing: Color box
- Capacity: 500ML, 600ML, 750ML, 800ML, 1200ML
